**CATEGORY A**

**MEMBERS OF FEDERALLY-RECOGNIZED INDIAN TRIBES, BANDS OR COMMUNITIES.** If you are a member of a Federally-recognized tribe, you must request that your tribe complete this category. One of the following procedures will apply and you will be advised by your tribe:

If your tribe has contracted or compacted the maintenance of tribal enrollment records under the Indian Self-Determination and Education Assistance Act, Pub. L. 93-638, as amended, 25 U.S.C. 450, a verification signed by an *authorized* Tribal Representative(s) is sufficient.

If you are claiming preference based upon lineal descent from a member of a federally recognized tribe, band or community, you must also document that you were residing within the present boundaries of the reservation on June 1, 1934.

If you possess one-half degree Indian blood from a tribe indigenous to the United States, you must submit state or academic records that document this status, as well as official records

that establish your degree of Indian blood, such as census records. You must also complete the attached FAMILY HISTORY.

**Category D**

This form has been designed for the verification that an applicant is entitled to Indian preference in employment. If category A membership is verified through records maintained for the Tribe by the BIA, a tribal representative must also sign the verification. If the applicant does not meet the tribal enrollment criteria, the form should not be completed. If the applicant cannot document at least one-half degree Indian blood derived from tribes indigenous to the United States, the form should not be completed. Upon verification by a BIA Regional Director, Superintendent or other designated responsible BIA official, the applicant will be entitled to preference in employment.
